

WAIT! Your Order Is Not Yet Complete... Do NOT Close or Reload This Page

BEFORE ANYTHING ELSE... Here's a Unique One-Time Offer For You.

Hey, it's Ted McGrath...

Thank you for investing in TedsWoodworking. You can get access to the package shortly but *I have a quick message* so please give me a few more minutes of your time

NOTE: Really quickly: Whatever you do, **do NOT leave this page or hit the back button** on your browser. Your order is not yet complete and you now have a chance to upgrade your order.

This special offer is only open to new TedsWoodworking customers. As soon as you leave this page, your chance to get this package, at this price, **will be gone forever**.

Please do not pass this up and then email me later saying you made a mistake and that you want to grab the package, as there's simply nothing I can do after you exit this page.

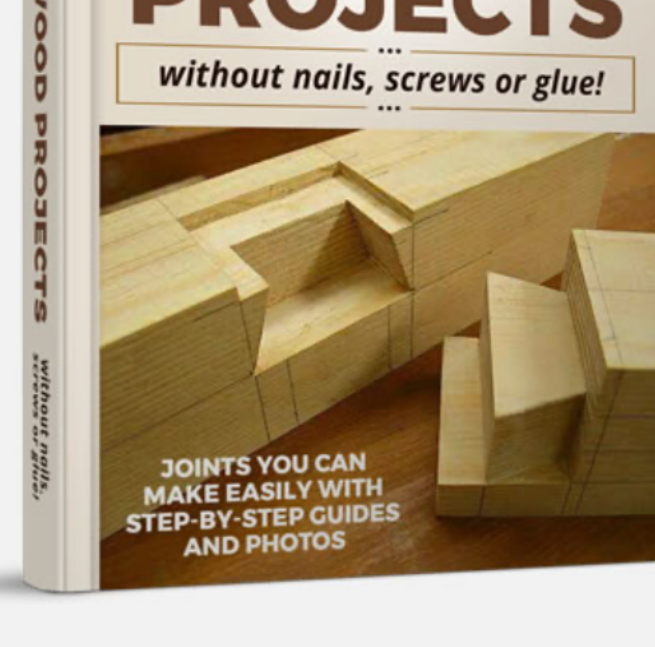

Secure This Special ***ONE-TIME*** Offer Immediately To UPGRADE Your Order to the VIP Deluxe Edition Package

With our Deluxe VIP package, you get digital access to the **single most comprehensive** woodworking collection and building course ever!

Here are the more details :

VIP DELUXE PACKAGE #1

"Make Wood Projects Without Nails, Screws or Glue"

Learn to make **10 simple but flawless woodworking joints** for your own wood projects. All you need are simple hand tools! (*power tools NOT needed*)

Joints are elegant and they outlast nails, screws or glue. If you want to make projects that last hundreds of years, *this guide will be invaluable to you.*

With detailed photos and step by step instructions, it covers, **shelves, hinges, latches, chairs, cabinets, doors, desk, toolboxes** and many more...

These are time-tested joints and techniques I've used over the past 15 years to build all types of furniture and crafts.

- ✓ **Make flawless woodworking joints with just hand tools**
- ✓ Covers popular joints and all types of furniture and crafts
- ✓ **Detailed photos, guides and examples of finished projects**
- ✓ Save on cost of fasteners and expensive power tools

VALUE: \$49

VIP DELUXE PACKAGE #2

20 Woodworking "Tricks" The Pros Use

I'm always looking for **"shortcuts"** in my work, either to *save time or make my life easier*.

Over the last 20 years, I've learnt *easier ways* to do something I've done a hundred times before.

This book is a *collection of the top 20 tips* I've learn from master craftsman or on my own. These tips are **simple yet effective ways** to be efficient when working with wood.

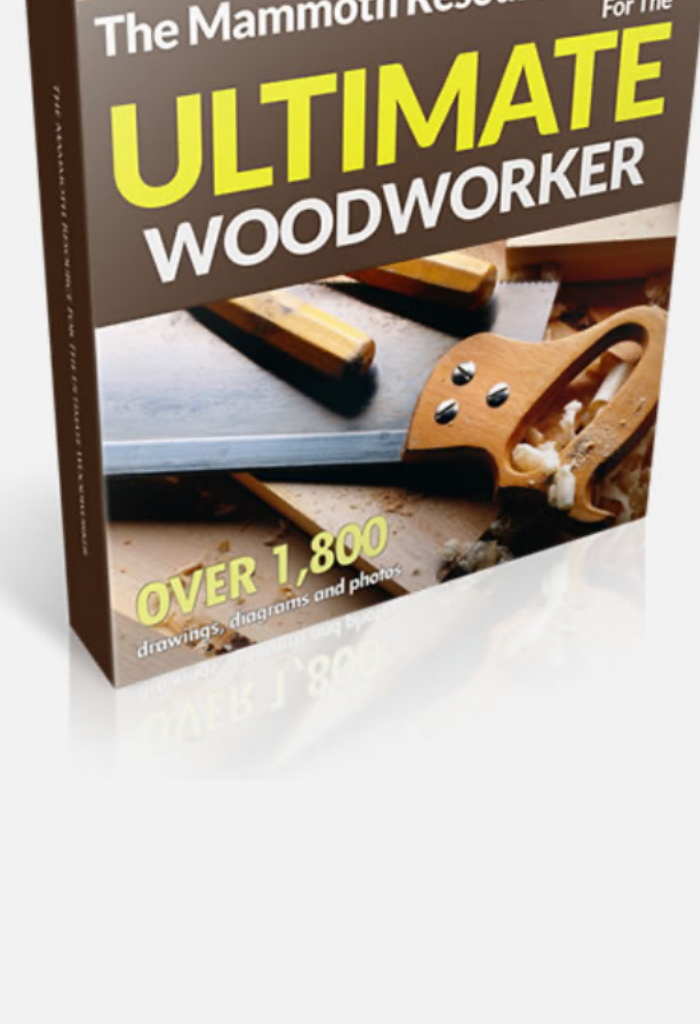

- ✓ **The correct way to layout wood for efficient woodworking**
- ✓ The simple (but often overlooked) way to mark cut lines to save time
- ✓ **How to make a straight line on dowels without measuring tools!**
- ✓ How to cut down on repetitive measurements with this one tip!
- ✓ **The #1 mistake you can make when cleaning up glue**
- ✓ And many more tips!

VALUE: \$37

VIP DELUXE PACKAGE #3
